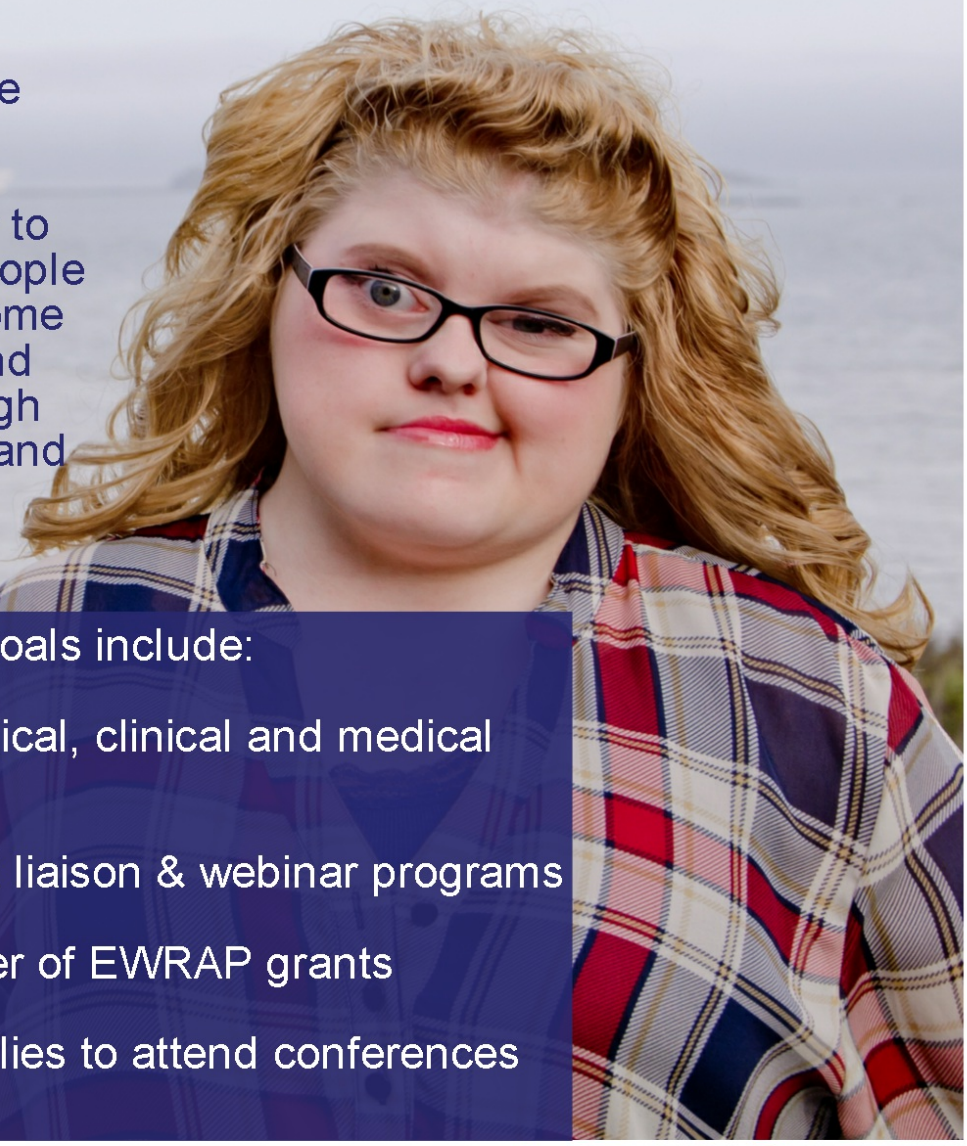
THANK YOU

To all of the outstanding families, professionals, researchers, fundraisers, donors and supporters: we want to recognize and thank each of you for all of your contributions. We hope you will continue working together with us to make the world a better place for people who have CHARGE syndrome.

The mission of the CHARGE Syndrome Foundation:

We lead and partner to improve the lives of people with CHARGE syndrome locally, nationally and internationally through outreach, education, and research.



Looking ahead, our goals include:

- funding more biomedical, clinical and medical research
- expanding the parent liaison & webinar programs
- increasing the number of EWRAP grants
- supporting more families to attend conferences
