

RESEARCH PRESENTED AT 2007 AND 2009 CONFERENCES

Education, Development & Behavior

- 2009 **A multi-media tour of classrooms with students with CHARGE syndrome**
Martha Majors Perkins School for the Blind]
- 2007 **A Wholistic Approach to Developing Educational Plans**
D. Lynne
K. Ziegler
- 2009 **Behavior analysis and CHARGE syndrome**
Laurie Denno Perkins School for the Blind
- 2009 **Communicative rate, forms, and functions in CHARGE syndrome**
Emily Miller University of Tennessee
Ilsa Schwarz
Nancy Steele National Consortium for Deaf-Blindness
Lori Swanson University of Wisconsin-River Falls
James Thelin University of Tennessee
Sara Thelin
- 2009 **Constructing meaningful conversations**
Diane Haynes Kentucky Deaf-Blind Project
- 2009 **Cued speech: What is it? Would it be useful to our family?**
Linda Balderson TREDS - Tennessee Deaf-Blind Project
Julie Brandrup
Donna Consacro
- 2007 **Homeschooling Works: Let the Journey Begin!**
S. Minster
- 2007 **Language Development in CHARGE Syndrome**
Wendy Keedy
Nancy Steele
Lori Swanson
- 2009 **Person centered planning as an adjunct to psycho educational evaluation for individuals with CHARGE**
Nancy Salem-Hartshorne Central Michigan University
- 2007 **Person-Centered Planning**
D. Consacro
S. Hiscutt
N. Steele
- 2009 **Preparation/certification of professionals in the area of deaf-blindness**
Susan Bashinski East Carolina University

Familial CHARGE Syndrome: Is there a risk of Recurrence?
 J. Bergman
 Conny van Ravenswaaij-Arts

2009 **Identification of pain in CHARGE syndrome**
 Timothy S. Hartshorne Central Michigan University
 Kasee K. Stratton

2009 **Insights into the function of CHD7 revealed through genomics**
 Peter Scacheri Case Western Reserve University, School of Medicine

2009 **Non-CHARGE multiple congenital anomaly (MCA) syndromes associated with choanal atresia/stenosis (CAS)**
 Bryan Hall University of Kentucky School of Medicine

2007 **Pain Issues in CHARGE**
 V. Berstein

2009 **Prevalence of genetic testing in CHARGE syndrome**
 Timothy S. Hartshorne Central Michigan University
 Kasee K. Stratton

2007 **Puberty and Growth (including the response to growth hormone)**
 Jeremy Kirk

2009 **Smell and puberty in CHARGE syndrome**
 Jorieke Bergman University Medical Center, Groningen, NL
 Conny van Ravenswaaij-Arts

2009 **Smell and Puberty**
Smell and Puberty in CHARGE syndrome
 Jorieke Bergman University Medical Center

2009 **The NICU experience: its impact and implications**
 Barbara Purvis National Consortium for Deaf-Blindness

2007 **Vestibular Function, Balance, and Development**
 J. Thelin
 L. Travis

Sensory

2009 **Impact of cochlear implants for children with CHARGE syndrome - preliminary findings**
 Susan Bashinski University of North Carolina-Greensboro
 Kathleen Thomas National Consortium for Deaf-Blindness
 Stremel

2009 **Vestibulo- and cervico-ocular reflexes in CHARGE syndrome**
 Sarah Krivenk University of Tennessee
 James Thelin

2009 **Vision issues for people with CHARGE syndrome**
 David Brown California Deaf-Blind Project
