RESOURCES LIST All prices include postage

CHARGE Syndrome Foundation Membership: Individual/Family (one year) \$25; Professional (one year) \$40; Lifetime Silver \$250; Lifetime Gold \$1000; Lifetime Platinum \$5000; Lifetime Diamond \$10 000.

CHARGE Accounts: A quarterly newsletter primarily for parents of children with CHARGE Syndrome. Information should also be helpful to medical and educational professionals dealing with these children. Included with annual membership in Foundation.

•**CHARGE Syndrome: A Management Manual for Parents:** The manual is an “interactive” publication. Version 2.1 consists of over 200 pages, printed and punched to go in a 3-ring binder. There are sections directed to the professionals and others to the parents. Includes a Medical Visit Pad. (Also available in Spanish.) Cost: \$25.00.

CHARGE Syndrome Medical Bibliography (Revised 2005): A current listing of medical articles on CHARGE. These articles were intended for geneticists and other medical specialists. The mailing will be references only, not the articles themselves. Your librarian can help you find these references and sometimes authors have copies which can be mailed out. Cost: \$4.00.

•**CHARGE Syndrome Brochure:** Single copies are free; quantity prices: 2-24 copies for \$.10 each; 25 for \$2.50; 100 for \$10.00.

CHARGE Syndrome Questionnaire: A 7-page questionnaire covering pregnancy, development, and family life as well as a list of features your child has which are common to CHARGE. This is intended to create a data bank for families which will help them find others in the same geographic area or with similar problems or concerns. Cost: No charge.

• **New Parent Folder:** A packet of information in a folder designed to help parents of a new baby (or newly diagnosed child) understand what CHARGE Syndrome is, frequently asked questions, what to do now, information about the CHARGE Syndrome Foundation, and listing of some helpful resources. 11+ pp. It is available for download at www.chargesyndrome.org and printed copies may be ordered from the Foundation office. Cost: \$3.00 each, 4 for \$10, 25 for \$50. New parents call 800-442-7604 for a folder at no charge.

• **Professional Packet:** This packet is designed to provide professionals with a brief introduction to CHARGE, its complexities, and some strategies to consider in educational and therapeutic settings. It is available for download at www.chargesyndrome.org and printed copies may be ordered from the Foundation office. There will be a charge to cover printing and postage on the printed version. Contact us by phone or email for the cost.

Parent to Parent: If you are interested in finding someone in your area, contact us for a list of families.

1997, 1999, 2001, 2003, 2005, or 2007 Conference Papers: These packets contain the handouts from many of the speakers and breakout presenters; i.e. airways-swallowing-trach, behavior, endocrinology. 2003 & 2007 Conferences are also available on a cd. Cost: \$25.00 each.

•**American Journal of Medical Genetics:** This issue of the Journal came from the Behavior Strand at the 6th International CHARGE Syndrome Conference. Those papers on behavior are published here along with a few others, and some additional articles on CHARGE syndrome. Cost: \$20.00 each.

The ASHA Leader, October 17, 2006 Issue, has several articles on CHARGE syndrome. ASHA is the American Speech-Language-Hearing Association. Cost: \$5.00 each.
