What do you want people to know about your family?

**We live in Hillsboro NH, a rural town in
NH. We live right near the lake, which
we enjoy going to in the summer. We
have a strong faith and are really
involved. 3 of my children are non-
verbal and all use communication
devices. We are all a close family. My
sister Colleen and daughter Kyla live
with us in our home together.**

Why do you Volunteer with the Foundation?

**Because the foundation has done
so much for us! Given us so much
support! I wanted to help in some
way.**
