

Brooke Fula Wisconsin

Who's in your family:

Ryan (dad), Brooke (mom), Mason (11-brother) and Nicholas (8-CHARGE)

What do you want people to know about your family?

We live in Waukesha, WI. Ryan is a facilities maintenance supervisor for a local school district. I am an Advanced practice nurse practitioner with extensive ER training, now working in urgent care. Mason is on the local swim team, we are really proud of him. Nicholas attends a local public school with a deaf program, where there are 3 other kids with CHARGE.

What activities do you like to do?

We love to camp, boat and take family vacations. We have a seasonal camper and spend a lot of summer weekends unplugged by the campfire.

Why do you volunteer with the Foundation?

I started volunteering because I live to share knowledge! Up until recently Nick was too complex medically to do so. Last 2 years I have been able to give more of myself to others in terms of fundraising and now this 😊
