Who's In Your Family?

**Brian (Dad), Donia (Me), Nyle (6),
Jaxson (aka Jax) (3)**

What do you want people to know about your family?

- We live in Miami, Florida
- Brian owns his own business
- Donia is a SAHM and volunteers at school with the PTA and is also a co-facilitator for a F2FC Project Call on Self Care
- Jax is currently in a reverse mainstream Pre-K program at the same Elementary School as Nyle
- We are all taking a weekly ASL class to try and become fluent in ASL

Why do you Volunteer with the Foundation?

During the early days after Jaxson's CHARGE Diagnosis, it was the Foundation (and it's amazing Outreach Director) that gave us support, information, and helped us to connect with other families in our area. I choose to Volunteer with the Foundation to give back and be there for families in the same way the foundation was there for us!

What activities do you like to do?

- Nyle and Jax love swimming in our pool or going to the local beaches
- We enjoy travelling and most recently went to Jamaica
- We love going to our local children's museum and we go once a month for Sensory Saturday
- Brian is a big fan of English Premiere League football and his Favorite Team Manchester United
- Donia loves listening to a good podcast, doing craft projects, lettering and scrapbooking
