

Sarah and David Irving-

Maine

Who's In Your Family?

Sarah (Mom)

David (Dad)

Sam (17 with CHARGE)

Elliot (12)

What do you want people to know about your family?

We live in Bangor, Maine.

Sam has vision and hearing impairment a bilateral cleft lip and palate, hypoplastic right heart and more, but is the most POSITIVE human being we know! He challenges us each and every day to be the best that we can be and make a difference in this world!

Why do you Volunteer with the Foundation?

When Sam was born in St. Louis in 2002 it felt like his doctors and nurses kept finding problems and adding diagnoses. We were scared and despite our amazing family back home in Maine, we felt very alone. The Foundation has provided a world of support. Even though there are times we are still scared and don't have all the answers, we know that we are not alone. We hope to provide that support to other families and together find the answers!

What activities do you like to do?

We love the outdoors (the woods, lakes, rivers and mountains of Maine!)

We love to swim, fish, kayak, canoe and climb in the summer and fish, snowshoe and ski in the winter!

Sam loves Disney and Sesame Street and wants to be an artist when he grows up. He has already developed some of his own characters.

David is a Forester and Wildlife Biologist.

Sarah is a Family Physician.

Elliot loves flying, space and baseball. Go RED SOX!
