What do you want people to know about your family?

- Our family lives in Union County, NC near Charlotte, NC.
- We have lived in NC for our entire lives.
- Spending time together, having fun and being silly are our favorite things.
- We have a dog named Gracie.
- Beach and the mountains are some of our favorite places to be.
- We may not all be athletic, but most weekends you can find us watching a sport, playing a sport or supporting friends that play a sport.
- We enjoy meeting friends and being out in our community.

Why do you Volunteer with the Foundation?

I volunteer with the Charge Syndrome Foundation because at the beginning of our journey I quickly learned what wonderful resources other families can be. Also, I am the type of person who needs to surround myself with others who understand our life, but also to learn and grow from them.

What activities do you like to do?

- I enjoy learning, (anything from a new recipe to ways to help my family flourish and grow)
- Love spending time with friends and family.
- My favorite thing is watching the news and drinking my coffee each morning.
- Traveling is something our family enjoys, unfortunately we don't get to as much as we would like.
- Activities that involve water are some of my favorite times.
