

Sondra Dean Virginia

We are a HUGE blended family!

My husband Jamie and I have only been married about 4 years. We have children and grandchildren of all ages! Noah's oldest sister is Lara, she is 32 and she has our grandchildren, Cole(10) and Zoe (4). Next is Seth 28, Austin 24, Sarah (Noah's stepsister) 21, Alyssa 19, then Noah himself (with CHARGE) who is 16, and Audrie 15 (Noah's step sister).

What do you want people to know about your family?

We are a close family. We are active in our community and in our church. We live in the southwestern most tip of VA. Jamie works out of town through the week for an engineering company while Sondra works in the Special Ed Department at the local High School. Noah is a high school freshman.

Why do you Volunteer with the Foundation?

Throughout the years we have been blessed to gain knowledge of CHARGE syndrome. Learning to navigate the medical and educational needs of Noah has presented many challenges along the way. I would love to make the journey a little easier for someone out there who many need someone to walk alongside them. I love spreading awareness of CHARGE syndrome and attempting to change the preconceived notions placed on individuals with disabilities.

What activities do you like to do?

We love to getting together for birthdays and holidays. Family game nights are a favorite as well as outdoor activities, including hiking and bike riding. Alyssa, Noah and I are active in our local church and we all participate in outreach ministries.
