

## ***Kimberly Freeman - Kansas***

### **Who's In Your Family?**

We are a family of four living in Overland Park, KS.

Weston is 7 and just started 2nd grade, and Jackie (our CHARGE warrior) is 5 and just started Kindergarten!

### **What do you want people to know about your family?**

Dad (John aka Bo) has been busy working from home since the start of the pandemic and I (Kim!) have just recently returned to work as an RN after staying home with Jackie for 5 years. I am also back in school to get my MSN. We are a busy bunch!

### **Why do you Volunteer with the Foundation?**

I volunteer for the foundation because I love connecting with other families near (and far). I love sharing stories and cheering each other on. This can be a scary path, and I don't want other families to feel alone.

### **What activities do you like to do?**

I LOVE to read in my spare time (which is more limited these days) but getting lost in a book is a great stress reliever for me.

I also love to take pictures of my family.

As a family we enjoy getting outside, going on walks, watching the kids play sports (Jackie started adaptive soccer this year and is loving it!) singing, dancing and listening to music together.
