Inspiration

"Some people like to go to the beach or the mountains. Some like to go to Disney World. So do I, but CHARGE conferences have a special place in my heart. I always learn so much and leave inspired and encouraged. I always leave better than when I arrived." - Joanne L.

Family

"Our oldest (big sis to our youngest, with CHARGE) absolutely LOVED every conference. They are 26 and 21 now and both looking forward to next summer. The conferences remain some of our most special family vacations together." - Tracey C.

Community

"Attending conference is like a big family reunion! In two words: Community. Connection." - Carine L.

15th International CHARGE
Syndrome Conference
July 20-23, 2023 | Orlando, FL

Greetings,

On behalf of the CHARGE Syndrome Foundation, we want to personally invite you to become a sponsor at our biennial Conference to be held on July 20-23, 2023 at the Rosen Shingle Creek in Orlando, FL.

We hope you'll mark your calendar and take advantage of this great opportunity. Our upcoming conference promises to be something truly special. To start, our Foundation will be celebrating its 30th Anniversary in 2023! And we're expecting over 1,300 attendees to join us at conference, including individuals with CHARGE, their family members and professionals.

The CHARGE Syndrome Conference provides an outstanding opportunity for sponsors to reach hundreds of families affected by CHARGE syndrome and the professionals who work with them. Increase your market outreach while supporting the only national organization dedicated solely to serving people affected by CHARGE syndrome, the leading cause of congenital deafblindness.

Please make your commitment to sponsor today. We look forward to seeing you in Orlando.

Celebrating 30 Years of the CHARGE Syndrome Foundation

Since 1993, the CHARGE Syndrome Foundation has grown significantly, spreading its impact across the United States and over 25 countries.

We know what we do matters, because it helps individuals with CHARGE and their families deal with one of the biggest challenges of their lives. The Foundation is now sponsoring more than 250 individuals with CHARGE to attend each conference. And while our Foundation is known for hosting life-changing conferences, it also serves our community in so many other ways. Over the past 10 years, The Foundation has directly supported thousands of families with our programs and outreach, as well as funding 34 Pilot Research Grants with total awards well over \$1M to 26 Institutions across 10 countries. These grants have helped lead to over \$6.5 million in grants from the NIH to the Pilot Grant Recipients.

The CHARGE Syndrome Foundation, Inc. is a 501(c)(3) charitable organization. The primary goals of the Foundation include: growing our outreach and support programs, increasing our knowledge base, promoting awareness, building networks and partnership, and investing in leading-edge research.

What Does Conference Mean to You?

"Conference to me is the ability to learn from the CHARGE experts - no, not the professionals but the individuals themselves. Getting to see the individuals with CHARGE interact with each other and see the family connections with each other and professionals is inspiring and motivating!" -Anne S.

"Conference to me means knowing I'm not alone, celebrating how far my child has come, and looking forward to the opportunities that she will have. Conference is being home with people who truly understand the journey we're on. It is being accepted and enjoying the freedom to be real about the struggles we face." -Penni E.
